

## Public Notice

The City of Williams Historic Preservation Commission and City Staff is seeking public comments on a draft design guide for the Williams Historic Business District. The City has hired Bill Otwell to update our current Historic Preservation guidelines and to update our historic building inventory and progression of upgrades to the buildings and district.

Mr. Otwell is very familiar with the City of Williams Historic District as he drafted one of the original historic guidelines for preservation of our historic building and historic district for the City of Williams. The new guideline will reiterate some of the same practices of preservation but will need to address new technologies and how they will be addressed.

Draft guideline comments should be submitted to the front desk at City Hall or emailed to the addresses below, by August 15, 2019. Comments will be reviewed and addressed at the August 20, 2019 special meeting.

The Draft Design Guide are available at <https://bit.ly/2LzisuR> or the City of Williams Website at <https://www.williamsaz.gov>. If you have any questions please contact Tim Pettit (928) 635-4451 ext.208, [tpettit@williamsaz.gov](mailto:tpettit@williamsaz.gov) or Margaret Hangan (760) 455-3024, [shrineinfo@yahoo.com](mailto:shrineinfo@yahoo.com).
